To Whom It May Concern:

JAX Green-Clean Cleaner Degreaser is registered with NSF as an A1 general cleaner. An A1 cleaner is:

“acceptable for use as a general cleaner (A1) on all surfaces in and around food processing areas, where its use is not intended for direct food contact. Use of this product in food processing or handling facilities requires that all food products and packaging materials be removed or protected prior to product use. A potable water rinse of cleaned surfaces is required after use of this product. When used according to manufacturer's instructions, the cleaner shall neither exhibit a noticeable odor nor leave a visible residue.”

Upon review of the ingredients, it is not expected that this product contains milk, eggs, soy, tree nuts, peanuts, fish, shellfish, wheat, nor protein derivatives thereof. Please note, while JAX INC. does not expect the allergens to be present, products are not specifically tested for their presence.

If you have any questions, please contact via email (regulatory@jax.com) or by phone (262-781-8850).

Sincerely,

Erin Hutchins
